

ROLLER CHAIR SERVICE DE LUXE

The most luxurious mode of doing America's Exposition is of course the ROLLER CHAIR SERVICE, manned by competent college men well-trained in the art of helping you enjoy your stay here.

It is possible to visit the buildings and exhibits without moving from a comfortable chair. Visit the out-of-the-way spots, the hidden trails in complete ease and relaxation

In addition to their complete knowledge of the Exposition, the chair operators are also well informed about things to do and see in and about San Diego and its historical background

Polite, courteous, well-trained, refined, the chair operators are there to aid you in every way possible. They will be glad to plan your stay here so that you can allot your time to include all things most interesting to you.

In addition to the single chairs there are the double chairs to better serve you.

Try to include at least one day in a chair during your visit here. You will find the chairs with their attendants in colorful blue and gold uniforms stationed at all entrances. Your reservation can be made by calling the Exposition Headquarters.

Roller-chair prices are 50c for the first half-hour, and 10c for each additional six minutes.
